

Christmas Market

17th December 2011

in Seattle!

af

Alliance Française
de Seattle

The Alliance Française de Seattle is a dynamic educational and cultural nonprofit organization that serves the Puget Sound area since 1987. Our mission is to promote the French language, increase awareness of French and francophone cultures, and foster friendly relations between them.

We will be organizing a typical Noël à la française at the Chapel Performance Space in the Good Shepherd Center of Seattle. Local vendors and craftsmen will be selling their wares, just like the marchés de Noël in France!

We expect a lot of people to celebrate a Christmas à la Française with us. To enjoy the day in the typical and joyful atmosphere of the French Christmas Markets, we need you to represent the traditional French art craft and gastronomy. Participating to our Christmas Market would be an excellent opportunity for you to meet a large Francophile community here in Seattle and to sell them your products!

Conditions:

one table (70x30 in.) for \$40, double table for \$60 plus 15% of all sales to benefit the Alliance Française of Seattle cultural and educational programs.
