DELFDALF POLICIES

ADDITIONAL POLICIES DURING COVID-19

Updated April 18, 2022

PLEASE READ CAREFULLY BEFORE REGISTERING.

1. DELFDALF Tout Public

a. The DELFDALF Tout Public

The *Diplôme d'études en langue française (DELFD)* and *Diplôme approfondi en langue française (DALFD)* are diplomas awarded by the French Ministry of Education to certify non-Francophone candidates' proficiency in French.

For the junior version students (13+), please refer to *DELFD Junior* (see number 2). For children ages 8-12, please refer to *DELFD Prim*.

The Alliance Française de Seattle (AFSeattle) is an official exam center for the DELFD/DALFD and will hold the June 2022 session in the conditions described below.

b. The June 2022 Session of the DELFD/DALFD Tout Public at AFSeattle

There will be no exams below level B1, as B1 is the minimum level required for essential needs—immigration, French citizenship, work, and study.

The DELFD/DALFD sessions have fixed schedules for the common parts—oral comprehension, written comprehension, and written expression. Candidates must arrive on time; otherwise, their access to the exam room will be denied. Candidates will have to sit together in the same classroom during the common parts of the exam. The windows will remain open, and there will be a HEPA-filter air purifier in the classroom. Each candidate will sit at their own desk, with at least 6 (six) feet between candidates.

The oral expression part is individual and will take place in a classroom at AFSeattle between June 13 and June 24, 2022. We will try, when possible, to organize the oral examinations on the same date as the common parts, but please keep in mind that this is not always possible, since the schedules are established according to the jury members' availability. Registered candidates will receive their personal interview schedule (date/time) by email no later than June 3, 2022. The candidate will sit alone in the classroom, and the jury will conduct the examination over Zoom.

AFSeattle is an educational and cultural 501(c)3 registered in the state of Washington. All AFSeattle employees and volunteers are required to be vaccinated against COVID at least 2 (two) weeks before coming at AFSeattle.

To minimize the health risks related to the COVID pandemics, AFSeattle will require proof of vaccination from all DELFD/DALFD candidates. Valid forms of verification include:

- Vaccination card
- Photo of vaccination card
- Record from MyIRMobile.com or another app

Candidates must have completed their vaccination series at least at least 2 (two) weeks before the date of the exam.

Proof of vaccination will be visually inspected by an AFSeattle employee before the candidates enter the exam room. Candidates without valid proof of vaccination will not be allowed to take the exam.

In addition, all candidates, as well as AFSeattle employees or volunteers present in the exam room, will have to respond, by email, to a prescreening questionnaire at least 24 (twenty-four) hours before the exam. They will be asked to confirm that no one in their household or their social circle had in the previous 14 (fourteen) days: a confirmed case of COVID-19, close contact with anyone with a suspected or confirmed case of COVID-19, been tested or advised to be tested due to a known/suspected exposure of COVID-19, been advised or directed to quarantine or self-isolate due to COVID-19, traveled internationally or in a COVID hot-spot in the USA, or had COVID-19 symptoms, including fever, cough, sore throat, difficulty breathing, loss of taste or smell, headache, fatigue, muscle aches, nausea or vomiting, diarrhea, congestion or runny nose.

The day of the exam, a health check will be conducted before entering the AFSeattle, including non-contact temperature check and health questions.

Candidates are required to wear a mask covering their mouth and nose for the duration of the exam (even if fully vaccinated).

In an effort to limit the spread of the coronavirus, residents of the states of Washington and Oregon are given priority to DELF/DALF enrollments: candidates are asked for proof of residence. Valid proof of residence includes but is not limited to a WA or OR valid driving license, a March or April 2022 utility bill, cell phone bill, checking or credit card statement, tribal ID, homeowner or renter insurance policy. For residents of other regions in the USA: please check with the local Alliances Françaises who might offer DELF/DALF and/or TEF or TCF sessions.

Steps to register for a DELF/DALF in the June 2022 session:

- Complete the registration form—including the proof of residence—during the registration period.
- Complete the payment.
- On June 3, 2022, at the latest, you will receive an email with the scheduled oral interview.
- 2 (two) days before the exam, AFSeattle will send you a prescreening questionnaire by email, to which you must reply no later than 24 (twenty-four) hours before the exam.
- On the day of your exam, arrive at AFSeattle at the time indicated on your exam convocation, and be ready for a health screen (with non-contact temperature check) and a vaccination status inspection.

Cancellations:

- By AFSeattle for any given session if it cannot meet the COVID-19-related safety requirements for both its physical space and its personnel: full reimbursement.
- By candidates:
 - Until June 3, 2022, at noon, Pacific Time: the exam fee is reimbursed minus a \$40 (forty dollars)-cancellation fee.
 - Between June 3, 2022, at noon, Pacific Time, and the exam date, for documented illness or other documented emergencies: upon approval of France Education international, the test can be postponed to a 2022 session (dates to be confirmed in December 2022). COVID-19 symptoms can be documented with a medical virtual appointment report or a COVID-19 test.

- There will be no reimbursement if you cannot present proof of vaccination the day of the exam.

Alternatively, should you need an official evaluation of your level for immigration to Canada, French citizenship, or admission to a Francophone university, TEF tests are organized with one (1) candidate at a time. Proof of vaccination is not required from TEF candidates; they are, however, asked to respond to the health screening questionnaire. Check our TEF page for policies and conditions:

AFSeattle knows that the exams are essential for your life projects, and we are doing our best to serve you. However, we cannot accommodate special requests: the DELF/DALF will be sold on a first-come-first-served basis. Places are limited giving the space limitations due to the COVID-19 guidelines. DELF/DALF *Attestations de réussite* are sent by email around 4 (four) weeks after the date of the exam. The diplomas are delivered a few months after the exam. You can use your *Attestation de réussite* for official purposes.

Candidates must be 13+ and enrolled in a post-secondary educational establishment. The diploma awarded is identical to the DELF. The test includes a written exam and an oral exam.

For children ages 8-12, please refer to *DELF Prim*.

3. ADDITIONAL COVID-19 POLICIES

In addition to the above rules and regulations, the following COVID-19 general policies also apply:

COVID-19 SAFETY INFORMATION

While participating in in-person events, classes, tests and exams, and/or other face-to-face activities held or sponsored by AFSeattle (the "Activity"), consistent with CDC guidelines, participants are encouraged to practice hand hygiene, social distancing, and wear face coverings to reduce the risks of exposure to COVID-19. Because COVID-19 is extremely contagious and is spread mainly from person-to-person contact, AFSeattle has put in place preventative measures to reduce the spread of COVID-19. However, AFSeattle cannot guarantee that its students, exam and test candidates, volunteers, partners, or others in attendance will not become infected with COVID-19.

Considering the ongoing spread of COVID-19, individuals who fall within any of the categories below should not engage in any AFSeattle in-person Activity. By attending an AFSeattle in-person Activity, you certify that you do not fall into any of the following categories:

- Individuals who currently or within the past fourteen (14) days have experienced any symptoms associated with COVID-19, which include fever, cough, and shortness of breath among **others** (click on the link for the newest CDC list of symptoms of COVID-19).
- Individuals who have traveled at any point in the past fourteen (14) days either internationally or to a community in the USA that has experienced or is experiencing sustained community spread of COVID-19; or
- Individuals who believe that they may have been exposed to a confirmed or suspected case of COVID-19 or have been diagnosed with COVID-19 and are not yet cleared as non-contagious by state or local public health authorities or the health care team responsible for their treatment.

DUTY TO SELF-MONITOR

Alliance Française

Seattle

Students, exam and test candidates, volunteers, partners, or others in attendance agree to self-monitor for signs and symptoms of COVID-19 (symptoms typically include fever, cough, and shortness of breath; check the CDC full list of symptoms [here](#)) and contact AFSeattle at info@afseattle.org if they experience symptoms of COVID-19 within fourteen (14) days after attending a class, an exam, a test, an activity, or after volunteering at AFSeattle.
